A SPACE THAT
REFLECTS YOUR STYLE.

INDIA'S NO.1 MDF COMPANY®

About Greenpanel Industries Ltd.

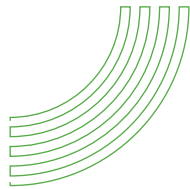

Greenpanel is India's largest wood panels manufacturer renowned for top-quality Medium Density Fibreboard (MDF), Plywood, Pre-laminated MDF and Wooden Flooring. With state-of-art facilities in Uttarakhand and Andhra Pradesh, innovation and sustainability are part of our DNA.

We take pride in our Greenpanel MDF, which is crafted exclusively from 100% renewable agro-forestry wood, demonstrating our commitment to environmental responsibility.

We are the largest MDF manufacturer in India, our annual production capacity is 660,000 cubic meters, and our extensive network of over 3,000 outlets ensures convenient access to our premium products.

Art's Stroke

Art is freedom, and each person has a unique interpretation. Some prefer staying within the lines, while others crave exploration and some embrace abstraction. Similar to an artist's brush strokes, the various shades of Pre-Laminated MDF in our collection showcase a myriad of possibilities. This collection is crafted for individuals who revel in creativity and strive to stand out. Available in Marble, Stone and abstract designs, this range caters to those seeking a distinctive touch in their surroundings.
